## PROGRAMS

### IT'S ON YOU

#### Roadmap to Accountability and Responsibility

Tired of waiting for others to acknowledge you? Wondering why you never seem to get the respect from your team that you deserve? If so, this program is for you. *It's on You* explores personal and professional accountability and its positive results on you and your team. Filled with stories and thought provoking anecdotes, you will leave with a great sense of responsibility and ownership of your team, career and/or life.

#### Responsible Leadership & The Challenge of Change

Effective leaders help their colleagues develop meaningful change management skills. The best leaders accept this challenge as one of their prime responsibilities. *Responsible Leadership and the Challenge of Change* is a program for those individuals who introduce and implement change throughout an organization. People tend to reject change yet responsible leaders tackle change head-on and make things happen by mobilizing others. This program is loaded with real world examples and powerful activities that stretch you to think more responsibly and embrace change. You will leave more aware of the challenges that lie ahead with change but also confident in your abilities to overcome them. You don't want to miss this one!

### BUILDING BRIDGES

#### On the Road to Empowerment

Are you ready for growth? What do you do when faced with enormous obstacles that may hinder your progress toward a goal? *Building Bridges* is the program needed to answer those questions. This open discussion will address ways to overcome those obstacles and excel toward your goals. You will leave this program empowered and motivated about your future. If you are looking for encouragement that is encapsulated with practicality, this program is for you.
